

GA Level 3 Award in Bird Species Studies (603/7700/8)

Qualification Summary

Qualification Title	GA Level 3 Award in Bird Species Studies
Qualification Number	603/7700/8
Credit Value	10
GLH	75
TQT	100
About this Qualification	In the GA Level 3 Award in Bird Species Studies, learners will gain knowledge of bird biology, bird behaviour and how birds interact with their environment and other species. Learners will understand different conservation efforts to protect bird species. Learners will also develop an understanding of how to care for birds and how to promote their health and welfare.
Entry Requirements	This qualification is ideal for learners who work in, or intend to enter, a career in bird species care and/or conservation. This qualification is intended for learners aged 16 and above. There are no formal entry requirements for this qualification.
Progression Opportunities	This qualification is an ideal qualification from which a learner might progress onto higher level study, practical occupational training, a volunteering position or a career in bird species care and welfare or conservation.

Qualification Overview and Component Units

Unit Number	Unit Title
A/618/7848	Bird Biology, Ecology, Behaviour and Conservation
F/618/7849	Bird Care, Health and Welfare

Assessment of this Qualification

This qualification is 100% internally assessed by an Approved Gatehouse Awards centre, which will provide assessment opportunities for learners to meet the Learning Outcomes and Assessment Criteria of the qualification units. Learner work is internally assessed and then subject to internal and external moderation.

Full details of the centre and qualification requirements can be found in the Qualification Specification, available on the Gatehouse Awards website.
