

GA Level 3 Award in Zoo Animal Nutrition (603/7723/9)

Qualification Summary

Qualification Title	GA Level 3 Award in Zoo Animal Nutrition
Qualification Number	603/7723/9
Credit Value	12
GLH	100
TQT	120
About this Qualification	In the GA Level 3 Award in Zoo Animal Nutrition, learners will understand how to provide suitable nutrition for a range of zoo animal species in addition to understanding the consequences of poor nutrition to zoo animal health and welfare. Learners will also know how to create feeding plans, understand how to keep nutritional records and comply with legislation.
Entry Requirements	This qualification is ideal for learners who work in, or intend to enter, a career in zoo animal care and/or conservation. This qualification is intended for learners aged 16 and above. There are no formal entry requirements for this qualification.
Progression Opportunities	This qualification is an ideal qualification from which a learner might progress onto higher level study, practical occupational training, a volunteering position or a career in zoo animal care and welfare or conservation.

Qualification Overview and Component Units

Unit Number	Unit Title

Assessment of this Qualification

This qualification is 100% internally assessed by an Approved Gatehouse Awards centre, which will provide assessment opportunities for learners to meet the Learning Outcomes and Assessment Criteria of the qualification units. Learner work is internally assessed and then subject to internal and external moderation.

Full details of the centre and qualification requirements can be found in the Qualification Specification, available on the Gatehouse Awards website.
